

Your heart beats for innovation and sustainability? JOIN US NOW!

In Quantron innovation and experience work together every day towards a more sustainable mobility. In our company you will find a flexible working environment with a unique high level of motivation. We have a fast-paced, exciting, and collaborative culture where you will have the possibility to quickly implement your ideas, with a low level of hierarchy and bureaucracy.

Internship / Working Student / ERP Data Management (m/f/d)

Full-Time

Do you want to work in the future-oriented supplier market for battery and hydrogen commercial vehicle components and expand your personal expertise? If you are passionate about mobility and future technologies, then you have come to the right place. Become part of the team and apply now for a position in purchasing.

Key Tasks:

- Operational data maintenance of articles and orders within the newly introduced ERP system.
- Operational ordering of technical components and services.
- Takeover of first own project in the area of purchasing
- Execution of benchmarks and preparation of documents

Requirements:

- Student (Bachelor, Master or Diploma) in the field of industrial engineering, mechanical engineering or business administration/economics.
- First professional experience in strategic purchasing or materials management preferred, ideally in the automotive sector
- Business fluent in written and spoken German and English

Why us?

- We work on sustainable mobility
- Combining expertise with passion you can quickly grow with us both in terms of skills and responsibilities
- For us Teamworking comes before hierarchy and approval process
- Flexible working schedule

We consider diversity as a crucial ingredient for our growth. As an equal opportunity employer, we base our talent acquisition decisions on skills and experience. What we value is energy, courage, and reliability. We look forward to receiving your application and learn something more about your story.

Join now the e-revolution in passenger and cargo transportation! 2022 is the year to #GROWWITHUS!

Send us a detailed application including a curriculum vitae and motivation letter to hr@quantron.net.
