

## Your heart beats for innovation and sustainability? JOIN US NOW!

In Quantron innovation and experience work together every day towards a more sustainable mobility. In our company you will find a flexible working environment with a unique high level of motivation. We have a fast-paced, exciting, and collaborative culture where you will have the possibility to quickly implement your ideas, with a low level of hierarchy and bureaucracy.

## Cyber Security Manager (m/f/d)

Full-Time

Do you want to play a tremendous role in protecting our products from Digital Threats? Are you the one who will bring us some guidance on regulatory aspects of Cyber Security? Then you should not wait any longer and join our team because we need you!

### Key Tasks:

- Your core activities consist of managing the creation of cybersecurity concepts, cybersecurity analyses, security cases and further documentation for vehicle systems in accordance to ISO 21434, ISO 62443 or SAE J 3061
- You contribute to the overall system architecture with the goal of achieving the right level of cyber security
- You will be in charge to point out our weaknesses and apply the right measures to let them transform into strengths
- You create threat analyses and risk assessments for Quantron's product portfolio
- You work on managing cybersecurity requirements throughout the whole vehicle lifecycle
- You discuss concepts and present the results together with international teams
- You provide a credible advice by leveraging cross-functional technical and functional domains

## Requirements:

- You have successfully completed a Bachelor's or Master's Degree with technical focus in Electronics such as Software or Hardware, Information Technologies or in relevant educational background
- You already have experience in the field of cybersecurity
- Knowledge of architecture of automotive electronic systems such as control units, buses, communication protocols and diagnosis is an advantage
- Knowledge of ISO 21434, ISO 62443, SAE J 3061 or ISO 27000 is an advantage
- Proficient skills in English
- Reliable, structured and independent way of working
- Excellent teamwork and communication skills

## Why us?

- We work on sustainable mobility
- Combining expertise with passion you can quickly grow with us both in terms of skills and responsibilities
- For us Teamworking comes before hierarchy and approval process
- Flexible working schedule

We consider diversity as a crucial ingredient for our growth. As an equal opportunity employer, we base our talent acquisition decisions on skills and experience. What we value is energy, courage, and reliability. We look forward to receiving your application and learn something more about your story.

**Join now the e-revolution in passenger and cargo transportation! 2022 is the year to #GROWWITHUS!**
